

## Area F Guidelines: Information Technology

Eighteen (18) semester hours in lower division (1000- or 2000- level) courses related to Information Technology and/or prerequisite to higher level courses.

<b>Programming Courses</b>	6–8 hours
<b>Introduction to Information Technology</b>	2–3 hours
<b>Mathematics</b> Finite Math, Discrete Math, Calculus, or Statistics	2–4 hours
<b>Program Specific Electives</b> Selected from Information Technology, Mathematics, Computer Science, or an IT Application Area	3–8 hours
<b>Total</b>	<b>18 hours</b>

The above requirements are consistent with:

- ACM SIGIT's draft accreditation guidelines
- Proposed WebBSIT Area F
- Degrees offered by most USG IT programs
