

USG New External Site Request Form

University System of Georgia

Institutions seeking to deliver courses or programs at a new external site must submit this form to obtain administrative approval from the USG Office of Academic Affairs at least 60 days prior to the implementation of the offerings at the site. (For additional requirements see [Academic and Student Affairs Handbook 2.3.7.1](#))

ALL fields are required unless otherwise noted. Please complete a separate form for each off-campus site requested.

Email the completed form and attachments to Jennifer McManus at jennifer.mcmanus@usg.edu.

Approved external sites will be issued an external site code and listed in the [USG External Site Report](#).
