Call for PeopleSoft Financials Presentations

You may have heard that Internet Technology Services (ITS) has combined the administrative services focus of Georgia Summit with the technology focus of the Annual Computing Conference to create interactUSG, the PREMIERE conference for the University System of Georgia.

This expanded conference provides a great opportunity for GeorgiaFIRST PeopleSoft Financials users like you to share your expertise with colleagues from other institutions. Has your experience given you insights that would benefit others? Have you developed an

innovative approach to an old process? If so, submit your presentation on the interactUSG website: <https://www.cvent.com/c/abstracts/89bc70ea-fbcf-4d57-9cb8-76a5c1d68411>

If you have suggestions for topics that you feel would be of interest to GeorgiaFIRST PeopleSoft Financials users, email your topic or suggestions to Karen Schwind at karen.schwind@usg.edu.

Submission Deadline: May 31, 2018
