SUBJECT: Release 5.72 and 1.42 Budget Prep UAT Dates and Kickoff Information

The upcoming GeorgiaFIRST Financials Release 5.72 and Augusta Financials Release 1.42 will incorporate several changes and fixes into the Budget Prep module to improve user experience. To test these changes, ITS will host Budget Prep User Acceptance Testing (UAT) from January 20 - 25, 2022 to gather feedback from institutions.

If users plan to attend the Budget Prep UAT, please attend the kickoff call at **11:00 a.m. on Thursday, January 20, 2022** to learn about what needs to be tested and the testing schedule. ITS encourages Budget Prep users from GeorgiaFIRST institutions and Augusta attend the meeting even if they will not take part in testing.
