Policy Statement

Employees of the University System of Georgia who serve as an organ donor for the purpose of transplantation shall receive a leave of absence, with pay, of thirty (30) days. Each employee who serves as a bone marrow donor for the purpose of transplantation shall receive a leave of absence, with pay of seven (7) days. Leave taken under this provision shall not be charged against or deducted from an employee's accrued annual or sick leave.

This policy ensures compliance with state law on organ and bone marrow donations and supports employees who may elect to be an organ donor or bone marrow donor by providing limited additional leave to cover absences related to the donation.

Applicability

All units of the University System of Georgia are covered by this policy.

Who Should Read This Policy

All Human Resources staff and employees within the University System of Georgia should be aware of this policy.

Definitions

These definitions apply to these terms as they are used in this policy:

- **Board of Regents (BOR):** The governing body of the University System of Georgia.

**HUMAN RESOURCES ADMINISTRATIVE MANUAL
TIME AWAY FROM WORK: ORGAN AND MARROW DONATION**

- **Organ Donor and Marrow Donation:** Leave that allows the employees to undergo said medical procedures without charge to accrued leave.

Process and Procedures

Leave for Organ and Marrow Donation: Each employee who serves as an organ donor for the purpose of transplantation shall receive a leave of absence, with pay, of thirty days. Each employee who serves as a bone marrow donor for the purpose of transplantation shall receive a leave of absence, with pay of seven days. Leave taken under this provision shall not be charged against or deducted from an employee’s accrued annual or sick leave. Such leave shall be included as service in computing any retirement or pension benefits. This provision shall apply only to an employee who actually donates an organ or marrow and who presents to the appropriate supervisor a statement from a licensed medical practitioner or hospital administrator that the employee is making an organ or marrow donation.

Employee must present appropriate official orders to Human Resources.
