Gardner Institute

Tracking G2C Outcomes and Other Platform Updates

Inventory and SLG Reminders

Mr. Rob Rodier

Tracking G2C Outcomes

Dr. Drew Koch and Dr. Stephanie Foote

Assessment & Evaluation: Guiding Questions

1. What sections are being / were transformed?
2. What differences do we see when comparing transformed and non-transformed sections?
3. What strategies are being used in the transformations and to what degree?
4. What differences do we see when comparing strategies in the transformed sections?
5. What changes in perspectives and attitudes are associated with the work done in G2C?
6. What changes in learning are associated with work done in G2C?

Assessment & Evaluation: Guiding Questions

- 1. What sections are being / were transformed?**
- 2. What differences do we see when comparing transformed and non-transformed sections?**
